

Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 16 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Many places remaining dry with bright or sunny spells.

This Evening and Tonight:

Light winds and clear spells will lead to some patchy mist and low cloud forming. Fog possible in rural locations towards dawn, but all parts are expected to remain dry. Minimum temperature 7 deg C (45 deg F).

Sunday:

Any early mist and low cloud will clear, then showers in the north. Otherwise, dry with sunny spells, although cloud will increase through the afternoon. Temperatures around average. Light winds. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:

Monday cloudy with patchy light rain before heavy rain spreads east. Tuesday spells of rain, sometimes heavy, becoming drier later. Wednesday windy with heavy, perhaps thundery showers. Very mild.
